Section 1 — Reservation & Booking Procedures

All reservations at Grand Meridian Hotel & Suites are subject to availability and must be confirmed with valid payment information at time of booking. Reservations may be made via telephone, the hotel website, or through authorized travel agents. A booking confirmation number will be issued upon successful reservation. The guest's name on the reservation must match the primary cardholder.

Section 2 — Payment Terms

The hotel accepts Visa, Mastercard, American Express, and Discover. Full payment or a valid credit card hold is required at check-in for the full estimated stay amount including anticipated incidentals. Final billing will reflect actual charges incurred. Incidental holds are released within 3–5 business days of check-out.

Section 3 — Room Assignment, Check-In & Check-Out

Standard check-in time is 3:00 PM EST. Standard check-out time is 12:00 PM EST. Early check-in and late check-out are subject to availability and may incur additional charges. The hotel reserves the right to assign an equivalent room type if the specific room requested is unavailable.

Section 4 — Cancellations & Modifications

4.1 — Standard Cancellation Terms

Reservations cancelled more than seventy-two (72) hours prior to the scheduled check-in date will receive a full refund of any prepaid amounts, less a $75.00 administrative fee. Reservations cancelled within 72 hours of check-in will forfeit the first night's room charge. No-shows will be charged the full reservation amount.

4.2 — Non-Refundable Reservations & Date Modifications

Certain room types and promotional rates are designated as non-refundable at time of booking. In addition to rate-specific non-refundable terms, the following provisions apply to all reservation modifications:

4.2(a) — Partial Stay Reductions

A guest who checks out prior to their confirmed departure date will be charged for the full original reservation period unless written approval for early departure has been obtained from Hotel Management no less than 48 hours in advance.

4.2(b) — Date Modifications

Any modification to the dates of an existing reservation — including changes to the check-in date, check-out date, or both — shall be treated as the cancellation of the original booking and the creation of a new reservation. The new reservation created as a result of a date modification will be classified as **NON-REFUNDABLE** regardless of the original booking's refundability status. The guest will be required to acknowledge and accept these terms prior to the modification being processed. No exceptions will be made on the basis of the original booking's terms, promotional rate status, or loyalty program membership. Grand Meridian Hotel & Suites will not issue refunds for any amounts charged under a modified booking.

Note to Reservations Staff: *When processing a date modification request, staff must verbally advise the guest of the Section 4.2(b) non-refundable classification and obtain written or email confirmation from the guest before proceeding. All such confirmations must be retained in the reservation file for a minimum of 24 months.*

4.3 — Group & Event Reservations

Group reservations (5 or more rooms) and event-related bookings are subject to separate contractual terms agreed upon at time of contracting. The terms in this section apply to individual leisure and corporate reservations only.

Section 5 — Guest Conduct & Hotel Liability

The hotel reserves the right to charge guests for any damage to hotel property caused during their stay. Guests are responsible for all charges incurred under their reservation. The hotel's liability for loss of guest property is limited to the statutory minimums applicable under New York state law. Guests assume responsibility for valuables not deposited in the hotel's secure storage facilities.

Section 6 — Dispute Resolution

Any disputes arising from a reservation, stay, or billing matter should first be directed to Hotel Management. If unresolved, disputes may be escalated in writing to the General Manager. The hotel's records, including reservation logs, email correspondence, and signed registration cards, shall serve as the authoritative record in any billing dispute. These terms are governed by the laws of the State of New York.
